

IN EARTH FARE, JANUARY 12, 2011,
The unanimous Declaration of Earth Fare

Embrace Simplicity

Food is simple. Make it look good and make sure it tastes really good - memorable.

Never Settle

Embrace and drive change. Be better,
EAT better and give more.

Be Good and Do Good

Do right by people. Play the game fair,
honest, generous and hard.

We're All in this Together

Run fast to help each other.
Run fast to help customers.

Let the Good Times Roll!

Be loose and have FUN! Let your soul shine.
